

SHARRAH DUNLAP SAWYER

CIVIL DESIGNER
JOB DESCRIPTION

Sharrah Dunlap Sawyer, Inc. (SDS) is seeking a Civil Designer to join our in-office team. This is a full-time position working under the direct supervision of registered professionals to design and prepare plans, specifications and estimates for residential subdivisions, commercial and industrial developments, and infrastructure projects.

REQUIREMENTS

- Bachelor's degree in Civil Engineering from an ABET accredited school.
- A valid California driver's license with an insurable driving record.

DISTINGUISHING CHARACTERISTICS

- Working knowledge of AutoCAD and Microsoft Office programs.
- AutoCAD Civil 3D experience preferred.
- Site development design experience preferred - roads, infrastructure, grading, and drainage.
- Outstanding communication skills, both written and oral.
- Strong math and logic skills with the ability to conceptualize in three dimensions.
- Aptitude for critical thinking and problem solving.
- Self-motivated, strong work ethic, adaptable, creative, willing to learn new skills.
- Team-oriented approach with clients, colleagues, and coworkers.

WORK ENVIRONMENT

SDS is a high-energy design, engineering, and land surveying firm; we work on a wide array of projects in a dynamic team atmosphere.

OPPORTUNITY

You have the opportunity to use your expertise as a valued member of our collaborative team with unlimited upward mobility.

COMPENSATION AND BENEFITS

- Anticipated salary range: \$30-\$50 per hour based on qualifications.
- \$1,226 monthly cafeteria allowance for employee and dependent medical, dental, vision and disability insurance.
- 24 paid days off per year (Holidays and PTO).
- Licensure/certification and continuing education reimbursement.
- Profit sharing bonuses.
- 401k with 100% match up to 5% of salary.
- Lunch provided every Wednesday.
- Flexible work schedules.

TO APPLY

If you'd like to become a member of our team, please provide a cover letter expressing your interest along with your resume to: info@sdsengineering.com. All inquiries will remain confidential.
